**Dave and Pam's** summer plans call for time in the Northern Neck of VA where Tug and Finn can swim and play in the sand. Then later, they will be boating in the Pacific North West. The border is likely to remain closed so they cannot venture north into Canada. The cruising plans are for the San Juan Islands and all of Puget Sound. Tug and Finn will be well cared for at a Country Club for Dogs where they can swim in a pool and pond. So, they will enjoy their summer also.

**Debbie Duffy** and her husband, Brian will try to visit their daughters, Lauren in Chicago and Kristen in California, if they find a way...maybe driving? Their annual beach vacation in South Carolina with extended family has been cancelled...It would have been the 20th year in a row!!!

**Terri John** has been trying to plan a summer vacation, but this has been challenging due to everything going on. Luckily, her daughter's in-laws have a wonderful lake house on South Holston Lake in Abingdon, VA (borders Virginia and Tennessee). She will be going there for a week for fun on the lake, at a social distance of course. As of now, her plans also include a Florida vacation in December with her best friend and cousin.

**Debra Yager** was looking forward to a week in Sanibel Island. She loves the beach and especially 'shelling'. (Sanibel Island is world-renowned as a premier location for finding fantastic shells!). How different this year has turned out to be from what any of us expected! Debra still wants to visit the Island, and will likely re-book her Sanibel vacation for the fall.

# Tug's Tales

Finn and I are ready for summer. How about you? As the parental units are off to their boating adventures in San Juan Islands, you may ask what about Tug and Finn? Well, we are not invited on this trip. We are going to Summer Camp out in Catlett, VA to Country Club Kennel & Training. Finn and I will be busy bees at this place, not only will we get outside for playtime 6 times a day (more than Dad walks me) we are going to have pool parties, chuck it sessions, pond retrieve swims, treasure hunts and more. Hopefully the nice lady there will work with this Finn character some. We both are ready to make lots new furry friends at camp. We went for a trial meet and greet visit last week! Upon our "christening" of the yard (hey it was a long trip~ OK) , Dad said "it's a go just look how comfortable they are here". We hope your summer plans are going to be as busy and fun outside in the summer sun are ours will be. See you all in the Fall!

Woof,  
Tugboat and Finn
